OUR LOGO

SAKURA ACADEMY
OF LANGUAGE AND CULTURE

The Sakura Academy logo brings together two worlds: the elegance of Eastern architecture and the delicacy of the cherry blossom. The circular form symbolizes the unity of cultures and the wholeness of the educational journey. The arched silhouette references the architectural heritage of Central Asia, while the sakura branches carry the Japanese aesthetic — the beauty of the fleeting moment and the pursuit of excellence. The logo is designed to inspire both trust and curiosity — the very feelings Academy cultivates in every student.

BRANDMARK

SAKURA ACADEMY
OF LANGUAGE AND CULTURE

The brandmark is the purest expression of Sakura Academy's identity — stripped of color, reduced to form and meaning. Displayed here in both positive and negative versions, the mark is built to perform across every surface and context. Whether printed in black on white or reversed out of dark backgrounds, the symbol retains its clarity, balance, and cultural depth. A true brandmark needs no color to be recognized — only its shape is enough.

SIZE GUIDE

SAKURA ACADEMY
OF LANGUAGE AND CULTURE

To preserve the integrity and visual impact of the Sakura Academy logo, a minimum clear space must always be maintained around it. This exclusion zone — equal to 5x the width of the logo's border stroke on all sides — ensures the mark is never crowded by surrounding text, imagery, or graphic elements.

Respecting this space is not optional; it is a fundamental rule that protects the logo's readability and authority across every application.
